Volunteer Spotlight

Q: How long have you been volunteering in your project?

I have been volunteering for 3 years now in Banbridge Youth Resource Centre and love volunteering with the children and young people, and socialising with the staff. I also enjoy playing games and activities with the young people, and when they win their face shows brightness.

Q: What do you enjoy most about volunteering?

The thing I have gained the most from volunteering is getting involved in organising games. I would definitely recommend it to other people I think it is good to get out there because you can put it on your C.V that you have volunteered and that can help you apply for jobs. I would love to pursue a career in youth work in the future.
